

KENDAL BOWMEN "252" IMPROVEMENT AWARD

The 252 award is designed to help you practice your shooting at different distances and to recognise your achievements. After 6 sighters, you shoot 3 dozen arrows on a 122cm face at your chosen distance. The round can be shot at 20, 30, 40, 50, 60, 80 or 100 yards with the aim of scoring 252 or better (alternative scores apply for other bow types). If you achieve the score twice you can claim a badge.

It is an award scheme in use at many archery clubs in the UK and applies to all archers, irrespective of age, ability or bow type (scores differ by bow type).

The rules:

- Six sighters to be followed immediately by 3 dozen scored arrows.
- 5-zone scoring (Gold = 9, Red = 7, Blue = 5, Black = 3, White = 1) using a 122cm target face.
- The 3 dozen arrows may be shot alone or as the first 3 dozen of a longer imperial round.
- Badges must be claimed in sequence.
- Scores need to be achieved twice to qualify for the award.
- Qualifying scores for a given distance must be shot on different days.
- To make an award claim 2 signed and witnessed score sheets needs to be submitted to MARK GILL.

The awards are as follows:

Distance (yards)	Recurve score	Compound score	Longbow score	Barebow score
20	252	300	158	189
30	252	300	144	189
