MOST GREENS	Helen Horsey	Riverside
HIGHEST CLUB SCORE	Martin Anderssohn	Kendal Bowmen
WAND SHOOT WINNER	David Whittam	White Rose

Kendal Bowmen held their eighth Longbow Shoot in brilliant sunshine on the 20th March at Kendal Cricket Club.

Archers from across the North took part in this event. Longbow is the traditional style of archery - a stick and string - as seen in Robin Hood

Kendal Bowmen archers performed well with Ada Newell achieving second place in the ladies and Dave Hogarth taking the Worst White and Martin Anderssohn winning the Best Red and Club Trophy.

The event was well supported by Kendal Bowmen volunteers who set out the field before the event. Thanks very much to them for joining us at short notice as sickness prevented some of our usual helpers and participants.

An archer commented:

‘As usual Kendal put on a great shoot. The swirling wind was challenging but we all had a good time getting back to competitive shooting after the pandemic. We enjoyed the traditional sherry and shortbread and soup provided at lunchtime.’

The Winner of the Gentlemen’s event and the Wand Shoot was David Whittam from White Rose Archery and the Ladies Champion was Katrina Horton from the Longbow Club.

There is a club Longbow if anyone wants to try this style of archery, and a good number of archers shooting Longbow who are usually happy to discuss and help.
